

2019 WEATHERIZATION APPLICANTS:

AHA's Wx Program began in 2008, for those applying in 2019 and later please be aware that there is no guarantee your home will receive Wx services. A completed application will maintain a place on the waitlist to receive Wx services should it become available in your community. All applicants are prioritized and those with the highest priority will be serviced first as long as funding allows. Be sure to include any priority documentation to help with this process. Remember annual re-verification is required in order to maintain a place on the waitlist.

To be considered for the FREE Weatherization Program (Wx) please provide AHA your completed Wx Application with signatures and the items listed below. Please review all of your paperwork prior to submitting to AHA.

1. You must be currently living in the home year round.

- Homeowners - provide a copy of your deed or other proof of ownership to your home. Legal descriptive address is required.
- Tenants – must request and complete a Landlord-Tenant Agreement (LTA) from AHA and submit with all other documents.

2. Required Income Verification (pick ONE method below):

Income re-verification is required annually to remain active on the Wx waitlist.

- Simplest method - Copies of completed 2018 tax forms as submitted to the IRS, Public Assistance, Department of Labor statements, or an employer's payroll report.
- Copies of Pay Stubs that indicate gross income. Recipient must be identified by name or Social Security number. If most recent stub shows year-to-date gross income of 12 months that is all that is required; if not, submit 2 pay stubs received during the income review period (12 months prior to the month submitted).
- 2018 W-2 forms and a signed statement from your employer. The statement must be on company letter head and indicate the length of employment.

NOTE: Alaska Permanent Funds and child support are not considered income for this program.

3. Signed receipt of the Lead Safety Brochure if your home was built before 1978.

4. Documentation of a priority in your household is recommended to allow prioritization to be applied to your application. If someone in your home is an elder, disabled, or a child under 6, please include documentation that indicates this. Examples of priority documentation:

- Elderly person:** driver's license or ID card; birth certificate; senior property tax exemption
- Person with disabilities:** percentage of disability letter from VA; Social Security benefit verification; determination from an agency that serves persons with disabilities; documentation from a professional third party such as a doctor
- Children under 6:** listing of the child's name and age on the signed application is sufficient documentation
- Emergencies:** conditions that are life-threatening (e.g. no heat source in winter) and/or significantly compromise the structure (e.g. major roof leaks). Contact office for more help documenting an emergency.
