

Emergency Rental Assistance

Assisting Households Impacted by COVID-19

About the Program

The Aleutian Housing Authority (AHA) is the Tribally Designated Housing Entity (TDHE) for the Aleutian and Pribilof Islands Region of Alaska. AHA received Emergency Rental Assistance money from the U.S. Department of Treasury, on behalf of our partner Tribes, to provide the payment of rent and utilities (including past due amounts) for eligible households who have disproportionately suffered from the impacts of the COVID-19 pandemic.

Assistance under this program is available to shareholders of the Aleut Corporation or enrolled members of one of our regional Tribes residing nationwide; Native Americans and Alaska Natives residing in the Aleutian and Pribilof Islands Region; and other residents of the Aleutian and Pribilof Islands Region. This assistance can only be provided to those households who have not yet received any similar assistance from any other source.

Applications will be accepted until December 15th, 2021. The application period may be extended, depending on available funds. Completed applications will be pooled and prioritized for selection. **To be considered in the first application pool, your completed application and all required information must be received by AHA no later than, Wednesday, December 15th, 2021.** First pool payments are scheduled to be made in January of 2022. **Be sure to gather and submit ALL required documents. Failure to do so will delay processing of your application. Funding is not guaranteed, and all documentation will be verified to determine eligibility.**

AHA will prioritize applications in the following order:

1. Households whose income does not exceed 50% of area median income.
2. Households with a member who is and has been unemployed for the past 90 days.

AHA will give preference to applicants accordingly:
