ADDENDUM NO. 2

Date: 2/27/25

BID DUE DATE: March 14th, 2025 at 3 pm Alaska time. NO CHANGE

Due to the nature of the following question, we are issuing this addendum:

Q. Is there any flexibility for a longer period of performance?

A. The project is being funded through grant funds, and the grant requires all closeout actions to be completed by December 31, 2026. While there may be some flexibility with this deadline, we encourage you to plan accordingly to ensure all tasks are completed by the anticipated date.

No other changes to the request for proposals are included at this time.
